GENERAL SPORTS RULES

Jiu-jitsu is a martial art and combat sport based on ground fighting (ne-waza) and submission holds. It focuses on the skill of taking an opponent to the ground, controlling one's opponent, gaining a dominant position, and using a number of techniques to force them into submission via joint locks or chokeholds. The Gi division utilizes the traditional uniform which adds offensive and defensive grips to the contest. No Gi divisions may only grip parts of the body and competition attire is a rash guard and shorts.

FALL CLASSIC-BRAZILIAN JIU JITSU-2023

To gain points for a position, the competitor must show clear control for 3 seconds (including takedowns and throws).

- Advantages are submission attempts that posed a real threat to the other fighter, near takedowns, near sweeps, near passes etc. Advantages will only be used in the case of a tie breaker. (Strike with points)
- **No Stalling:** Referee will issue a warning for the 1st offense of stalling, i.e., backing out of the guard without engaging, hugging the opponent's hips inside the guard, no activity, fleeing the ring to avoid takedown or submission attempts, etc. A 2nd offense will result in one (1) point for the opponent. (Strike advantage for the staller's opponent). A 3rd offense will result in two (2) points for the opponent (strike reduction). A 4th offense will result in disqualification. If a competitor flees the ring when submission is locked in and the competitor is obviously fleeing to avoid submission, they will be automatically disqualified.
- Referee has the discretion to call a match for use of excessive force, i.e., competitor refuses to release pressure after opponent submits or opponent refuses to submit, and the referee believes that the submission will cause immediate danger of injury. **The referees will be shown maximum respect at all times. Their decision is final and will not be overturned.**
- If the competitors are near the edge of the ring, they will be restarted the same position, unless the referee is unable to duplicate the position for any reason, in which case the competitors will restart from a standing position.
- No strikes, biting, eye gouging (including chin to eye), head butting, small joint manipulation (finger or toe locks), hair pulling or ear pulling.
- No unsportsmanlike conduct allowed as observed by a referee (includes spitting, use of foul language, obscene gestures, etc.) Warnings will be given for unsportsmanlike conduct. Repeat offenders will be disqualified.
- No lubricants, oils or lotions of any kind are permitted on any part of the body or clothing.
- **No Slamming:** Illegal slamming will be defined as slamming your opponent to escape submissions and/or to pass the guard; or standing from the guard and/or jumping from a standing position to slam your opponent. **Slamming will result in an automatic DQ.** There are no exceptions to this rule. Takedowns are **NOT** considered slams, but you must deliver your opponent safely to the mat.
- **The Fall Classic** reserves the right to expand or combine divisions to accommodate competitors.
- **Eligibility:** Women will not be permitted to compete in Men's divisions. Men will not be permitted to compete in Women's divisions.
